

In addition to the provisions of the South Central Responsible Use Policy, the following additional items apply to students participating in the 1:1 Chromebook program at South Central:

- Students will bring their Chromebooks to school each morning with the battery fully charged.
- Students will transport their Chromebook to and from school in the school-issued carrying case and will store the Chromebook in a secure location when not in use.
- Students will keep their Chromebooks clean and free from debris that might deface or damage the Chromebook finish, screen, or other components.
- No attempts will be made without school permission to modify, reconfigure, or repair the Chromebook. Repairs are done only by South Central technology department staff (or by a 3rd insurance company).
- Students will immediately report all malfunctions, damage, or loss of a Chromebook to a classroom teacher or the technology department.
- Student/parent/guardian will be financially accountable for any repairs due to damage, loss, or theft of the device.
- Loss or theft of the Chromebook must be reported to the school district by the next school day after the occurrence and a police report may be required.
- Students will use their Chromebook during the school day only for school-related purposes.
- Students will not connect their Chromebook to any other non-district wireless network while at school.
- Students who withdraw from the school must return the device along, along with all issued accessories, at the time they leave the district. Fees collected as part of this program will not be refunded.

### Student Acknowledgement

I understand and will abide by the provisions of this agreement. I understand that any violations of the above provisions may result in disciplinary action, the revoking of my technology access privileges, and appropriate legal action.
