April 2, 2020

Dear Parent / Guardian,

Today, Indiana Governor Eric Holcomb extended school closures for all K-12 public and non-public schools through the end of the 2020 school year in a continued attempt to contain and mitigate the community spread of the Coronavirus (COVID-19). As outlined in earlier letters, South Central Community School Corporation will be closed for all student and student related activities - now through the end of the 2019-2020 school year.

South Central will continue to utilize E-Learning on Mondays, Wednesdays, and Fridays through the remainder of the school year. Our last E-Learning day of attendance will be Wednesday, May 20, 2020. Tuesdays and Thursdays will continue to be considered days off, and will count toward the 20 waiver days Governor Holcomb outlined in an earlier address. Please note that next week, the week of April 6 -10, will be considered Spring Break and no new E-Learning will be distributed during that time.

We will continue to provide updates as new information becomes available; including when parents / students may be able to retrieve personal property left in the building. Thank you to everyone in the South Central community for their ongoing patience and understanding.

Sincerely,

Dr. Theodore Stevens
Superintendent, South Central Community School Corporation
