Please bring the following items to register your child:

- ❖ Shot Records (if available)

***It is not necessary to bring your child.

During round-up, you will receive the physical to be filled out by medical professionals that will be due by the first day of school.

Current SC Little Comets Pre-K students are already registered in our system and do NOT need to attend round-up. Current Pre-K will receive an "Intent to Enroll" form that needs to be returned before round-up.

Newly registered kindergarten students will need to sign up for a screening with our kindergarten teachers. Screenings will be on Monday, May 4th.

Kindergarten age requirement: Indiana Code requires a student to be at least five years of age on August 1 of the school year to participate in a kindergarten program at a school corporation, unless the student is waived into kindergarten. At South Central, we will consider placing into kindergarten a child who is at least five years of age on October 1 of the school year.
