

2019-20 Scholarship List

South Central Jr. – Sr. High School

FAFSA (Free Application for Federal Student Aid) – All students planning to further their education after high school should fill this out. This form is the qualifier for federal and state aid and allows students and parents to receive student loan information as well. Some colleges require students to fill this out before they will consider awarding them any merit based scholarships. The filing deadline for the state of Indiana is April 15, 2020. However, please note, different colleges have different (sometimes earlier) deadlines. For more information visit the official FAFSA website: <https://fafsa.ed.gov/index.htm> .

General Scholarship Search Engines

<http://www.affordablecolleges.com/resources/scholarships/> - This scholarship database offers over 20,000 free-to-apply, sortable scholarships based on location, major, GPA, ethnicity, etc. In addition, they answer some frequently asked questions such as avoiding scholarship scams and tips on applying for scholarships.

<https://www.fastweb.com/> - This website is a connection to scholarships, colleges, financial aid information, and more.

Merit Based Scholarship/College Specific Scholarships

Many colleges offer scholarships specific to their school and even specific to the major that you plan to have. Make sure to check out the website for each college you apply to for details. Typically, students can type in the name of the college followed by “Freshman Scholarships” to an internet search engine and it will pull up the list. Merit scholarships can be based on such things as G.P.A. and SAT and/or ACT test scores. Some colleges automatically consider students for these once they get all materials (application, transcripts, SAT/ACT test scores. Other schools require a separate application for consideration). --- There are a few colleges that require SAT and ACT scores to be sent directly from the testing agency and this can take about a month so don't delay. Deadlines to be considered for these Merit Scholarships can be as early as November 1st!!

NCAA/NAIA

Students who intend to or hope to continue their athletic career in college should make sure they have registered with the appropriate Clearinghouse Eligibility Center. Mrs. Randall and/or Mr. Haggard will be happy to assist student athletes with this.
